

HARISH KUMAR R N S

Python Full Stack Developer

✉ hkrns523@gmail.com ☎ 6369904976 📍 460-1,North Malayadippatti,Rajapalayam

Summary

Motivated and detail-oriented Python Full Stack Developer with strong proficiency in Python, Django, HTML, CSS, SQL, and full-stack web development. Skilled in developing scalable and user-centric web applications with hands-on experience in backend development, database management, and AI-integrated solutions, along with a strong commitment to continuous learning and professional growth in software development.

Education

B.E Mechanical Engineering, *Thiagarajar College of Engineering, Madurai* 2021 – 2025
• CGPA : 8.23

Key Skills

- | | |
|------------------------|--------------------------|
| • Python | • SQL |
| • HTML | • CSS |
| • Basics in JavaScript | • Django |
| • Postman | • Git |
| • AI/NLP concepts | • Adaptability |
| • Quick Learner | • Problem-Solving Skills |

Languages

- | | |
|-----------|---------|
| • English | • Tamil |
|-----------|---------|

Certification

- Certified in Python Full Stack Development – PySpiders, Velachery

Projects

Student Performance Dashboard

- Developed a full-stack Django-based student performance dashboard enabling CRUD operations with a responsive, user-friendly interface.
- Integrated interactive data visualization using Chart.js along with search, validation, and real-time feedback to enhance usability and data insights.

AI-Powered Interview & Resume Analysis System

- Developed an AI-powered recruitment and interview platform using Python, Django, SQLite, HTML, and CSS for automated resume screening, role prediction, and AI-based interview evaluation.
- Implemented NLP-based resume parsing, skill extraction, dynamic question generation, answer scoring, dashboard analytics, authentication, and QR-based deployment integration for an intelligent end-to-end recruitment workflow.
