Summary

Motivated web developer with strong skills in Python, Django, HTML, CSS and SQL. Eager to apply technical knowledge in creating efficient and user-friendly web applications while continuing to learn and grow in the IT field.

Education

B.E Mechanical Engineering

2021-2025

Thiagarajar College of Engineering, Madurai

CGPA : 8.23

Technical Skills

- Python
- SQL
- HTML
- CSS
- Basics in JavaScript
- Django
- Manual Testing
- API Testing(Postman)
- Git

Projects

- Student Performance Dashboard

Developed a full-stack Django-based student performance dashboard enabling CRUD operations with a responsive, user-friendly interface and integrated interactive data visualization using Chart.js along with search, validation, and real-time feedback to enhance usability and data insights.

- Task Management Web Application

Developed a secure, full-stack task management app with user authentication and CRUD features using Django ORM. Built a clean, responsive interface with custom HTML/CSS and optimized for scalability and performance.

Certification

Certified in Python Full Stack Development – PySpiders, Velachery
